LETTER OF INTENT

Greetings from Sister Nivedita University (SNU)! SNU, the youngest University of West Bengal and the marvel project of Techno India Group has been formed with the thoughts and ideologies of Sister Nivedita. Sister Nivedita was a Scots-Irish social worker, author, teacher and a disciple of Swami Vivekananda. The University holds all values and morals necessary for the holistic development of a student. With a global perspective in mind, the schools of study has been designed in such a way that it meets the latest industrial requirements and also instills the traditional teachings and preaching needed for the complete development of a human being.

The Department of International Relations and Outreach of SNU is constantly working to build up collaborations with various Universities across the globe. The knowledge collaboration mainly focuses on student exchange, faculty exchange and cross-curriculum course development between both the Universities. We are turning up the wheels to build and strengthen relations with Bosnia & Herzegovina and India through knowledge collaborations which shall focus on student exchange, faculty exchange programmes.

SNU offers various courses in the fields of Engineering, Management, Commerce, Natural Sciences, etc. In future, SNU also has an aspiration to establish branches in Bosnia and start with courses in Information Technology, Hotel Management, Travel & Tourism Management and expand into other fields in lapse of time.

SNU promises to deliver quality education in adherence to the latest developments, the advanced knowledge transfer, industry-academia interface which shall meet all the requirements expected from
